Deepshi is a professional in Intellectual Property Analytics and Client Account Management. She works closely with clients to provide detailed IP analysis and understanding of the IP landscape in various technology areas.

Deepshi's skills include identifying and analyzing competitors' IP strategies, delivering useful insights through thorough analytics, and helping clients make informed decisions about their IP. As a Client Account Lead, she manages diverse range of clients, helping them manage their IP portfolios.

Deepshi is dedicated to continuous learning and expanding her knowledge in Intellectual Property (IP). Additionally, she is committed to helping clients navigate the complexities of IP and funding opportunities across Canada. Her goal is to provide clients with comprehensive support and strategic guidance, ensuring they have the resources needed to innovate and grow.
